## **Prayer**

Did you know that last year we participated in 110 hours of corporate prayer in the church? That means we prayed for the equivalent of 4days and 14hours!

On the third Tuesday of each month, we gather together to pray for the fellowship, for our locality and for the church here in Stanground. We also listen for what God is saying to us and we praise Him for the answers to prayer that we are seeing! If you are new to the church, then know that you are an answer to prayers raised here! At our meeting in December one of our number felt God showing her a scripture which was shared. It was very clear that this is a word from God, for us as a church and I urge you to go and read it and dwell upon it. Colossians 3v15-17.

We meet from 7-8pm in the back room, and I know that some are unable to come for that time.....but, if you are able to commit to pray with us at any time within that hour at home then please do so, and let me know.....we believe God is pleased when a church gets serious about prayer and commits to meet together to hear from Him.

So, if you can, please commit to meeting together each month and hearing what God is saying to His church...our next meeting is this **Tuesday 16th April**.... hope to see you there.

## **Peterborough Foodbank:**

A huge **thank you** to everybody who has contributed over the past year – it is greatly appreciated. We are still collecting items for our local foodbank. The need locally is growing rapidly and sadly donations are declining due to the cost-of-living increases. Please place items in the green crate as you enter church for any of our services or activities.

## **Foodbank needs are:**
